

Treasure Hunt

1. First find two ships exactly alike. Then draw a line between them. Next find two maps alike. Then draw a line between them. There is a letter where the two lines cross. Write that letter here.

2. Look at the right for the same letter that you wrote in the box. Every time you see that letter, draw a circle around it. If you do this correctly, the circles will form a large number. Write that number here.

It takes three steps to find the treasure. Are you ready?

3. Color the picture above. But color only the spaces that contain the number you wrote in the box.
